NEW LOCOMOTIVES. - "Blue Ridge," a new ten wheel locomotive built at the Orange, Alexandria and Manassas Railroad Company's shops, in Alexandria, made its appearance on the track this week, attracting a good deal of notice by its noble appearance. It was built under the superintendence of Master Machinist James E. Waddey, and is a fine piece of mechanism. When seen by us she was drawing twenty seven freight cars. Mr. John Bruce, a young engineman, and formerly running a material train, and said to be a most faithful employee of the company, is driving her. Mr. John Wilkins came out on Monday morning last with his pet "Prince William," rebuilt in fine style at the same shops. "Prince William' is attached to the Manassas passenger train, and is an old acquaintance of the residents along that line .- Manassus Gazette.

A Fox HUNT.-It is not often that our amateur sportsmen meet with such luck as befel one of them yesterday evening, who in the vicinity of the burying ground "started up" a fox, and after a short chase, succeeded in securing the "brush." Upon an examination it was found that Reynard had round his neck a piece of chain several inches in length, and how it could have gotten there puzzled our young friend much, but is not such a mystery to the sexton of one of the cemeteries, who has a distinct recollection of being the possessor of a pet fox answering, exactly, the description of the deceased, to whose neck was attached just such a piece of chain as that found on the dead animal; and to assuage his grief for the loss of the family pet he talks of damages, &c.

THE PATONBURG RIOT.—Governor Walker has issued a warrant of rendition in answer to a requisition of Hon. Joel Parker, Governor of New Jersey, for Charles Perkins and Joseph Warne, charged with riot on the Easton and Amboy railroad. William D. Allen is the agent on the part of New Jersey to receive the prisoners. Perkins and two other colored men, W. W. Banks and William Price, charged with complicity in the riot are in jail in this city. Several colored men have called at the jail within the last two or three days and expressed their desire to be summoned as witness in the case, which is now being tried in New Jersey.

DISTURBANCE IN MARKET.-A man, known generally by the name of Pete, employed by Mr. M. Schuler, created considerable disturbance in market this morning. He was intoxicated, and made a furious onslaught on several of the butchers, and their assistants, using as weapons meat choppers and sharpening steels. He was knocked down several times by those he assailed, and was finally secured by the police and taken off to the station house, but not until he had inflicted quite a severe wound upon the head of George Sutton, an employee of Mr. Helmuth, the butcher.

THE MARKET, to-day, as is usual on Saturdays, was well attended by sellers and buyers, and there was a large supply of produce from the country. We have no change to notice, whatever, in the prices of meats or vegetables, from those reported on Saturday last. Butter (fresh) 30 to 40 cts. per lb. Eggs 30 cts. per dez. The butchers had excellent fresh meats, at former prices. Quantities of chestnuts are coming in at from 12 to 15 cts. per quart. Egg plants at 5 cts. a piece. Lima beans 15a20 cts. per quart. A few rabbits and squirrels were for sale, and a wild turkey at \$1.25. There were a few bunches of fresh fish.

TELEGRAPH NEWS.

[Special Dispatches to the Alexandria Gazette.]

From New York. NEW YORK, Oct. 19.-Arrived, the Ocean

Queen from Aspinwall. It is stated that ex-Comptroller Connolly is at the Isle of Wight in company with his wife. Mark Flanagan was to-day sentenced to imprisonment for lite for murdering his wife. David Ryan was arrested last night on Furman street, Brooklyn, while stamping his wife

to death. The failure of Caldwell, Walker & Co., brokers, is announced.

There is considerable excitement in Wall street this morning owing to the manipulations of parties, in Pacific mail stock. Quite a panicky feeling prevails, but it is expected it will subside before the close of the second call. It is stated by parties conversant with the character of the last indictment against Tweed that this personage is full aware of its ability to convict him; that he has taken steps to avoid arrest, that his flight from the country, if not actually taken place, is so arranged that it will speedily occur and in such manner as to clude

the officers of the law. Mayor Hall last evening stated that he had heard nothing of any new indictment against him and the report that he had given bail was therefore false. It is possible he thinks that the old indictments may be omnibused as he himself wishes. He courts inquiry into his official conduct either in court or elsewhere.

McWilliams, the Jersey City, Chief of Police, has been released on \$28,000 bail after being jailed a week.

The sums which Assemblyman Fields is charged with robbing the city of through a legislative act, foots up to \$460,000. There is no clue yet to his whereabouts.

Arrest of an American in Havana. HAVANA, Oct. 16.-Boyd Henderson, of Pennsylvania, United States, who came to Havana Oct. 11th, accompanied by his wife, was arrested last evening at the Hotel Telegraft by the Chief of Police and taken to police headquarters where he is still confined, but is 58, potatoes 25, chestouts 11 bags, butter 39 permitted to see his wife and friends. The cause of his arrest is unknown, but it is said he has been under suspicion ever since he ar-18 rolls, hay 72 bales, rags 9 bags, sumae rived and has been seen in communication with 3.761 lbs, wood 8 car loads, stock 2, cheese suspected sympathisers with the Cuban insurgents. LOCAL BREVITIES.

A colored woman named Georgeanna Baltimore, living near the navy-yard, in Washington, died yesterday morning under circumstanees that led to suspicion of foul play, Her husband, who had been at work in this city went up the night before, and endeavored to procure medical assistance, but failed and the woman suddenly died. The coroner was notified to hold an inquest, but nothing was elicited to show any evidence of anything wrong. The husband applied to the santary police for assistance to have his wife. sistance to bury his wife.

The rumor is prevalent in West End that the restrictions of the Sunday law now in operations in this city are to be extended to that village, but the only way such a result could be effected would be for the County Court of Fairfax to revoke the licenses already granted to liquor dealers living there and that could not be done unless upon proof that such dealers kept disorderly houses.

The second story of the house on the southwest corner of King and Columbus streets was supposed to have been secured by the Young Men's Christian Association for a night school, but when they went there last night to take possession, they found that they had been unis-

One of the largest catfish ever taken in the waters of this region, was caught last night by City Sergeant Steuart, who was fishing with some friends on Hunting Creek Bridge. It was so large that it had to be trailed into shallow water and landed on the causeway at the end of the bridge.

Wm. Dorsey, the colored man arrested here on the charge of stealing a horse from a livery stable keeper in Washington, was discharged as it appeared that he had, while under the influence of liquor, ridden the horse off, but had returned him when he got sober.
